(circle one)

I / We do hereby certify; pursuant to the requirements set forth in the International Building Code, Chapter 17, Section 1704.1.2; that this final report is confirmation that the work described and listed on the contract documents or in the code, as requiring special inspection according to Section 1704.1.1 has, to the best of my / our knowledge, been completed in accordance with those approved plans and construction documents.

All discrepancies or shortfalls noted in the accumulated reports of the special inspections that were conducted were either corrected by the removal, replacement or repair of the work; or were reviewed and approved either by the RDPRC or under his/her direction as not materially or adversely impacting the compliance of the specific building element, or of the structure as a whole, with the code.
